NOTES FOR GUIDANCE

- Unless you know exactly how many entries you are going to make, please stage them first and pay afterwards - it saves having to keep amending entry forms.
- After the presentation of the awards, please remove your entries quickly so that we can get on with the sale of produce. It would help the organisers if you would hand any produce for sale to them, rather than just leaving it on the bench.
- Please do not remove your exhibits until after the presentation of awards.
- You may use your own vases for staging flowers in Section 3 (except where the schedule specifically says otherwise). Vases may not be glass, though.
- Please place your entry card **face down** under or near your entry
- The committee reserves the right to move exhibits after they have been staged in order to make room on the bench for further entries.
- Class 42 - Vase of assorted flowers
the intention is to display a mixture of flowers, rather than an assortment of flowers all of one variety (not a vase containing only galdioli, for example)
- Class 56 - A loaf of white bread
it is acceptable to use a bread maker
